Parental Consent during Nude Life Drawing and Painting sessions

(PLEASE USE BLACK INK AND CAPITAL LETTERS)

To the Parents/Guardians of Art and Design students:

Art Classes Malta is pleased to inform you that Professional models will be used to pose during any or all of the below programs, courses and Experiences:

- Classical Realism course and programs
- Figure Drawing and Painting workshops
- Atmospheric Life Drawing and Painting Soiree (Experience)

These sessions will feature nude models during sessions. The students will have the opportunity to learn how to draw and paint from live models. As these sessions will include nudity, we will not permit students under the age of 18 to participate unless the students submit this signed consent form from the parents/guardian indicating what activity they approve of for their child.

Students and participants must please present their consent forms on the day of the event if they wish to be permitted into the nude model section. Please also sign this waiver at this time. Please select an option below if your child will attend. This is a great opportunity for students to develop a portfolio that includes anatomical studies and strong observational pieces.

Best wishes,
